Summary: The Board of the Studio City Neighborhood Council opposes Mayor Eric Garcetti's proposal to close part of the City's \$250 million budget gap for next year by using an estimated \$50 million of Local Return money from Measure M, the permanent half cent increase in our sales tax that was approved by 71% of voters in November, 2016. We support distributing the funds evenly between the Council Districts. We further recommend that Measure M Local Return Funds be used to supplement city budget funding to repair our sidewalks and pave our streets as presented to voters in Measure M campaign outreach. We also request that the Neighborhood Councils have a more active role in the decisions relating to how the funds will be spent.
