

Item No. 27-A

MOTION

I MOVE that the matter of the feasibility of the Fire Department utilizing drones, or unmanned aerial systems to assess significant incidents (Council File No. 16-0410, item No. 27 on today's agenda) BE AMENDED to approve the requirement by the City Attorney to be requested to provide a public declaration letter in support of an application for a Certificate of Authorization to allow the City, through the Fire Department, to operate a public Unmanned Aircraft System.
