You can use the \$9.97 for 2018 as well.

Hi Nolan,

Thank you for the authorization letter to rollover the remaining 2017 funds to 2018.

On the attached expense report I sent you in March, it shows the use of the 2016 rolled over funds, with a remaining balance of \$9.97.

Our accounting department is asking whether LA84 wants to rollover the \$9.97 again to 2018 or for us to return the funds?

Sorry, I wasn't aware of this \$9.97 leftover until after I submitted the letter requesting the rollover of 2017 funds, otherwise I would have included it.

Please let me know how to proceed with the \$9.97 remaining from 2016 rolled to 2017.

Thank you,

Jennifer
