At the meeting held on November 26, 2019, your Economic Development Committee considered a CLA report relative to the Executive Task Force on Youth Development. The CLA reports that on February 26, 2019, the Economic Development Committee took action relative to the formation of an Executive Task Force on Youth Development charged with formulating a City Youth Development Strategy. This matter was initiated by Motion (Huizar -Rodriguez - Buscaino - et al.). At its meeting of March 20, 2019, Council approved the Economic Development Committee report on this matter.

The CLA, with the assistance from the CAO and relevant City departments, were instructed to report on the following two items: Options to establish an Executive Task Force on Youth Development charged with formulating a City Youth Development Strategy with recommendations on the Task Force composition and selection process for its members. A comprehensive assessment of all the funding and programmatic ways the City supports youth (Council file No. 16-0596) and funding options and steps necessary to establish a department, commission, or office for implementing a City Youth Development Strategy. After an opportunity for public comment was held, the Committee moved to approve the CLA's recommendations as amended, as detailed above. This matter is now forwarded to the Council for its consideration.
