

## ADOPTED BUDGET RECOMMENDATION

Instruct the Bureau of Street Lighting to report to the Public Works and Gang Reduction Committee on the Solar to Grid program. The report should include what resources would be needed to expand the program and should identify alternative funding sources and options to partner with the Department of Water and Power to broaden the program.

(Pursuant to adoption of the Mayor's 2016-17 Budget on May 19, 2016)
