

ADOPTED BUDGET RECOMMENDATION

Instruct the Bureau of Street Services to report to the Public Works and Gang Reduction Committee on the status of grant funded projects and whether the City is at risk of returning grant funds due to inability to complete projects in accordance with grant deadlines. The report should also include different ways to deal with capacity issues associated with delivering grant projects on time, whether additional staff is required for design of streetscape projects and recommendations for alternative financing options.

(Pursuant to adoption of the Mayor's 2016-17 Budget on May 19, 2016)
