### SUMMARY

At the meeting held on November 29, 2017, your Arts, Entertainment, Parks and River Committee considered a RAP report relative to the 2017-18 CDE child care grants for subsidized preschool services at the Jim Gilliam Child Care Center and the Ralph M. Parsons Pre-School. The RAP reports that the Department has been receiving Federal and State funding to provide child care services at the Jim Gilliam Child Care Center, dispersed through the CDE, since 1986. The CDE funds help to subsidize costs to families with incomes at or below the 75% State median income level. Each year, CDE allows RAP to apply for continuation of this funding. At its meeting of February 15, 2017, the Board of Recreation and Park Commissioners authorized the submission of a 2017-2018 continued funding application under the CCTR, which subsidizes child care for two-to-three year old children, and under the CSPP, which funds child care services for pre-kindergarten enrollees, at the Jim Gilliam Child Care Center (Board Report No. 17-025). The Jim Gilliam Child Care Center is licensed by the State of California to serve up to 45 children from ages two to five years old and is currently operating at full capacity. After an opportunity for public comment was held, the Committee moved to approve the recommendations presented in the RAP transmittal, as detailed above. This matter is now

forwarded to the Council for its consideration.
