Type of NC Board Action: For

Impact Information

Date: 09/13/2017

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 17-0002-S89

Agenda Date:

Item Number:

Summary: - The Trump Administration has proposed a budget with cuts to the Early Earthquake

Warning System.

- This system would send emergency alerts to residents and gov't agencies allowing people to take cover and brace for an earthquake and emergency services to respond appropriately.
- The proposal to eliminate funding is a gross oversight and would result in needless injuries and death.
- We oppose any legislation or administrative action that would eliminate funding for this vital system.
