The Board of Building and Safety Commissioners, at its meeting of May 16, 2017, gave consideration to the application by Bruce Juliani to revise the conditions of approval on an approved haul route application to export 4,096 cubic yards of earth from the above-referenced property.

The Board took the following actions:

1. FIND that the project is Categorically Exempt under the California Environmental Quality Act pursuant to the notice of exemption prepared by the Department of City Planning.
2. APPROVE the application subject to all conditions specified in the Department's report dated May 8, 2017, with the following exceptions:
  - a. Item C.10 shall be modified as follows:

Only one hauling truck, associated with this project address, shall be allowed on Angelo Drive, Hillgrove Drive and Benedict Canyon Drive at any time. \* No hauling trucks are allowed to drive in reverse uphill or downhill along Angelo Drive.\*

This action becomes effective and final when ten calendar days have elapsed from the date of the Board's action, unless an appeal is filed to the City Council pursuant to Section 91.7006.7.5 of the Los Angeles Municipal Code.
