February 10, 2017

Honorable Members of the
City Council of the
City of Los Angeles

CD No. 15

Attention: Mr. Michael Espinosa, City Clerk's Office

SUBJECT: RESOLUTION NO. 16-8035 – PROPOSED PERMANENT ORDER AMENDING PORT OF LOS ANGELES TARIFF NO. 4, SECTION THREE, ITEM NO. 330 – “CHARGES FOR PILOTAGE”

Pursuant to Section 653(a) of the City Charter, enclosed for your approval is Permanent Order No. 16-7215, along with the corresponding Ordinance to amend Port of Los Angeles Tariff No. 4, Section Three, Item No. 330; which was approved at the December 15, 2016 meeting of the Board of Harbor Commissioners. Charges for Pilotage (Pilotage) is based on a vessel's tonnage and length overall, plus surcharge per move. The proposed Permanent Order No. 16-7215 will affect the Pilotage calculation such that the Gross Registered Ton (GRT) rate would increase to \$0.0063, the Surcharge per Move would increase to \$105, and overall length (LOA) fee and all other fee schedules related to Pilotage would be increased approximately 25 percent. The proposed adjustment supports the ongoing phased cost recovery effort to balance the Los Angeles Port Pilot budget. There is no impact to the General Fund.

RECOMMENDATION FOR CITY COUNCIL:

- 1. ADOPT the determination by the Board of Harbor Commissioners (Board) that the proposed action is exempt from the requirements of the California Environmental Quality Act (CEQA) in accordance with Article III, Class 1(31) of the Los Angeles City CEQA Guidelines;
2. APPROVE Harbor Department Resolution No. 16-8035 authorizing Order No. 16-7215 and corresponding Ordinance to amend Port of Los Angeles Tariff No. 4, Section Three, Item No. 330 – “Charges for Pilotage”; and
3. Return to the Board of Harbor Commissioners for further processing.

Respectfully Submitted,
[Signature]
AMBER M. KLESGES
Commission Secretary
