

TRANSPORTATION

RESOLUTION

WHEREAS, California Vehicle Code Section 22507 authorizes cities to restrict the parking of vehicles, including but not limited to vehicles that are six feet or more in height, on identified City streets during certain hours; and

WHEREAS, Benedict Canyon Drive north of Holmby Hills has become a popular location for the parking of large vehicles, which results in fewer parking spaces for residents on this narrow mountain roadway, as well as limited visibility for drivers; and

WHEREAS, California Vehicle Code Section 22507 requires that, with the exception of parking restrictions in alleys, a resolution that restricts the parking of vehicles, including but not limited to six feet or more in height, during all or certain hours of the day, will only apply in areas in which signs are posted giving notice of restrictions;

NOW, THEREFORE BE IT RESOLVED, that the City Council, pursuant to California Vehicle Code Section 22507, hereby prohibits the parking of vehicles that are in excess of 22 feet in length or over 84 inches in height, during the hours of 8:00 a.m. and 4:00 p.m. along the 1400, 1200 and 1300 blocks of Benedict Canyon Drive within the City of Los Angeles, and

BE IT FURTHER RESOLVED that upon the adoption of the Resolution, the Department of Transportation be directed to post signs giving notice of the above restriction for oversized vehicles, with those specific hours detailed, along the street segments noted above; and

BE IT FURTHER RESOLVED that the Department of Transportation be authorized to make any technical corrections or clarifications to the above instructions in order to effectuate the intent of this Resolution.
