Summary:

On May 10, 2017, your Committee considered a Motion (O'Farrell - Bonin) relative to amending the LAMC to make it illegal to park any vehicle in the area of the road right-of-way between the sidewalk and the curb that is reserved for trees, landscaping, utilities and therefore not intended for vehicles. According to the Motion, in some areas of the City, drivers are parking their vehicles on the parkway, which is the area between the sidewalk and the street curb. This action is unsightly, destructive to public infrastructure, and dangerous for nearby pedestrians and other drivers. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Motion. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
