

MOTION

The State of California Department of Transportation is requesting a Temporary Construction Easement for access across City owned property located at the terminus of Mission Road south of 7th Street (APNs: 5171-024-816 & 817) under the jurisdiction of the Department of General Services.

These parcels are being used for access by adjoining owners near the Consolidated Street Maintenance Yard at 2222 E. 7th Street. Caltrans will need to use to access the 10 Freeway to do maintenance and repair for up to a 13 month period.

I THEREFORE MOVE that the Department of General Services be instructed and authorized to negotiate and execute, subject to the approval of the City Attorney as to form and legality, the necessary contract, temporary construction easement, or necessary documents to permit the State of California Department of Transportation to access the freeway to complete the necessary work.
