

MOTION

On October 4, 2017, the Council authorized the Department of General Services to take the necessary actions to acquire the property located at 5400 Crenshaw Boulevard for the development of a City surface parking lot to replace a portion of parking lost due to the new Crenshaw/LAX rail line (C.F. 17-0520). The City is now the owner of the land, however, the property must be transferred to the Department of Transportation so that they can operate and maintain the parking lot.

I THEREFORE MOVE that the Council:

1. Instruct the Department of General Services to effectuate a non-financial transfer of jurisdiction of the property located at 5400 Crenshaw Boulevard to the Department of Transportation for the purposes of developing a surface parking lot; and
2. Authorize the Department of Transportation to operate and maintain the parking lot and deposit any meter revenue collected into the Special Parking Revenue Fund.
