

CONDITIONS FOR EFFECTUATING (T) TENTATIVE CLASSIFICATION REMOVAL

Pursuant to Section 12.32-G of the Municipal Code, the (T) or [T] Tentative Classification shall be removed by the recordation of a final parcel or tract map or by posting of guarantees through the B-permit process of the City Engineer to secure the following without expense to the City of Los Angeles, with copies of any approval or guarantees provided to the Department of City Planning for attachment to the subject planning case file.

1. Dedication(s) and Improvement(s). Prior to the issuance of any building permits, public improvements and dedications for streets and other rights-of-way adjoining the subject property shall be guaranteed to the satisfaction of the Bureau of Engineering, Department of Transportation, Fire Department (and other responsible City, regional and federal government agencies, as may be necessary), the following:
 - a. Responsibilities/Guarantees.
 - i. As part of early consultation, plan review, and/or project permit review, the applicant/developer shall contact the responsible agencies to ensure that any necessary dedications and improvements are specifically acknowledged by the applicant/developer.
 - ii. Prior to the issuance of sign-offs for final site plan approval and/or project permits by the Department of City Planning, the applicant/developer shall provide written verification to the Department of City Planning from the responsible agency acknowledging the agency's consultation with the applicant/developer. The required dedications and improvements may necessitate redesign of the project. Any changes to the project design required by a public agency shall be documented in writing and submitted for review by the Department of City Planning
2. Bureau of Street Services, Urban Forestry Division. Plant street trees and remove any existing trees within dedicated streets or proposed dedicated streets as required by the Urban Forestry Division of the Bureau of Street Services. All street tree plantings shall be brought up to current standards. When the City has previously been paid for tree plantings, the sub divider or contractor shall notify the Urban Forestry Division (213-847-3077) upon completion of construction to expedite tree planting. If Street tree removal is required call 311 or 1 800 996-2489 to initiate the permitting process.
3. Bureau of Street Lighting: Construct new street light: four (4) on Eldridge Avenue. If street widening per BOE improvement conditions, relocate and upgrade street lights; three (3) on Terra Bella St.
4. Department of Transportation.
 - a. All requirements and conditions listed in the DOT traffic assessment letter dated July 19, 2016, and all subsequent revisions to this traffic assessment, be applied to the tract map.
 - b. The garages for 58 units will be off of private access ways that are proposed from Terra Bella Street. The remaining seven homes will have garage access from Eldridge Avenue directly.
5. Fire Department. Prior to the issuance of building permit, a plot plan shall be submitted to the Fire Department for approval.

Notice: If conditions dictate, connections to the public sewer system may be postponed until adequate capacity is available.

Notice: Certificates of Occupancy for the subject property will not be issued by the City until the construction of all the public improvements (streets, sewers, storm drains, etc.) as required herein, are completed to the satisfaction of the City Engineer.
