

ADOPTED BUDGET RECOMMENDATION

Instruct the Police Department, with the assistance of the City Administrative Officer, to report to the Public Safety Committee on the Police Service Representative (PSR) staffing requirements necessary to comply with the October 2017 Text-to-911 state mandated implementation timeline. The report should include trend lines on call response times and the resources required to bring the response times down to the baseline. The report should also include the civilian hiring needs for detention, security and property officers.
