

ADOPTED BUDGET RECOMMENDATION

Refer Budget Memo 66 to the Arts, Parks and River Committee, the Energy and Environment Committee and the Budget and Finance Committee, and instruct the City Administrative Officer, the Department of Water and Power, the Department of General Services, the Department of Recreation and Parks, and other departments, as necessary, to report on a chargeback policy or other policy options to reduce the impact on Department of Recreation and Parks operations. Other policy options should include the feasibility of a parcel tax to support Recreation and Parks programs.
