Summary:

On July 26, 2017, your Committee considered a Resolution (Price - Ryu) relative to the establishment of parking restrictions for oversize vehicles along the west side of South Central Avenue between East 43rd Street and East 43rd Place in Council District Nine. According to the Resolution, CVC Section 22507 authorizes cities to restrict the parking of vehicles, including but not limited to, those vehicles that are six feet or more in height, on identified City streets during certain hours. Also, LAMC Section 80.69.4 allows Council to authorize by Resolution, the streets upon which the parking of oversize vehicles shall be restricted between 2:00 am and 6:00 am. For the specific area, Council District Nine, the businesses along a segment of South Central Avenue are experiencing public safety issues associated with large vehicles that are parking overnight and constrict travel lanes thereby creating a dangerous situation.

After consideration and having provided an opportunity for public comment, the Committee moved to recommend adoption of the Resolution as detailed above and attached to the Council File. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
