Summary:

On September 27, 2017, your Committee considered a Resolution (Buscaino - Cedillo) relative to the establishment of parking restrictions along the following street segments in Council District 15:

- a. East 104th Street between Wilmington Avenue and Graham Avenue
- b. Graham Avenue between East 103rd Street and East 107th Street
- c. Willowbrook Avenue between East 107th Street and East 112th Street

According to the Resolution, large vehicles are often parked overnight on several streets in the Watts community, which are causing public safety issues and creating dangerous situations by constricting travel lanes. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
