Hi Zina,

Currently there are two appeals in the Council File Management System for the project at **1715-1721 North Wilcox Avenue**. The first (CF-070933) is an appeal of CPC-2016-22636-VZC-HD-CUB-CU-ZAA-WDI-SPR, filed by Steven Hammond, representing Belson Building LLC/Viorica Winterman. The second (CF-17-0933-S1), is an appeal of the CEQA action, ENV-2016-2264-MND, filed by Gideon Krakov, representing Lauren "Elle" Farmer. Please do the following in order to consolidate and clean up the record:

1. Take down the appeal from Steve Hammond. This appeal was not processed as required by the Department, including the payment of appeal fees within the appeal period which ended on August 15, 2017. It was transmitted in error.
2. I will be transmitting an additional appeal of CPC-2016-22636-VZC-HD-CUB-CU-ZAA-WDI-SPR, filed timely and correctly by Gideon Krakov. Please add to CF-17-0933.
3. Please add the CEQA appeal to the main Council File. The CEQA appeal is part of the overall appeal for the project.

Thank you.
