SUMMARY

At the meeting held on January 10, 2018, your Arts, Entertainment, Parks and River Committee considered a DCA report relative to retroactively applying for and accepting a grant from the California Arts Council (CAC) Artists in Schools Extension Program for Dia De Los Muertos Art Workshops. The DCA reports that while DCA-managed Neighborhood Youth Art centers provide Dia de los Muertos workshops, Public / Private Partnership Neighborhood Youth Arts Centers currently do not; CAC funds will leverage DCA resources to expand workshops to these Public/Private Partnership facilities. The workshops will be provided to students free of charge. Unified programming across DCA-managed facilities and DCA Public / Private facilities will further serve to implement a strategic equity-based standard across DCA's complete network of facilities and advance cultural expression in communities throughout Los Angeles by targeting community centers which would benefit most from high-school aged programming. The four DCA Public / Private Partnership Neighborhood Youth Arts Centers that will provide workshops through this grant are: Center for the Arts (Eagle Rock); Art in the Park (Highland Park); McGroarty Arts Center (Tujunga); and William Reagh Photography Center (Westlake). After an opportunity for public comment was held, the Committee moved to approve the recommendations presented in the DCA transmittal, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,
