Summary: The Arroyo Seco Neighborhood Council (ASNC) reaffirms its support of the motion for a General Services report aimed at protecting the radio system lease, creating a permanent easement or possible purchase of the KIIS Radio Tower, located at 1050 Montecito Drive, which is critical to Los Angeles Police communications in the Hollenbeck Division, a large portion of which includes ASNC stakeholders. Unfortunately, the property was sold to a private party who has no intention of maintaining the Police Department usage. City control of the facility and the property is critical to public safety in the region. Refer to the attached document.
