Summary:

On September 18, 2024, your Transportation Committee considered a December 18, 2023 BPC report relative to enforcement of LAMC Section 80.36.1 and tour bus operations in the Hollywood Hills. According to the report, a 2014 YouTube video explaining the routes to the areas with the best views of the Hollywood Sign and supposed stars' homes created a plethora of traffic congestion in the Hollywood area, especially in the Hollywood Hills. This traffic problem has been exacerbated by tour buses that continuously navigate the narrow streets of Hollywood. After consideration and having provided an opportunity for public comment, the Committee moved to recommend the report be noted and filed inasmuch as it is for information purposes only, instructed the LADOT to report, as detailed above in Recommendation 2 above, and requested the City Attorney to prepare and present a draft ordinance, as detailed above in Recommendation 3. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

Transportation Committee
