Summary: To the CITY COUNCIL TRANSPORTATION COMMITTEE CF 17-1115 At the April 16th board meeting of Hollywood Hills West Neighborhood Council, Brian Gallagher of DOT presented his findings in regard to our stakeholders concerns about dangerous activities within the streets of the Hollywood Hills. This was a lengthy presentation with full Visual slide and video presentations. There were several hundred stakeholders and community members in attendance. Here are the minutes of that meeting during which many stakeholders expressed their frightening experiences with tour bus drivers as well as our LAPD Sr Lead Officer, Ralph SANCHEZ, reported on the hundreds of citations given as well as warnings. This issue has been plaguing the hillside residents for no fewer than seven years. Thank you for your attention to this matter. Anastasia Mann President, Hollywood Hills West Neighborhood Council

4. Public Official Reports

- a) 43rd Assembly District, Assemblymember Laura Friedman provided an update on the current issues she is working on.

On the local level she is focusing on homelessness, public transit, core values and acts as the Chair of the Natural Resources Committee (forestry, fires, coastal areas, global warming, recycling etc.). She stated that LAUSD, Glendale and Burbank Unified Schools are struggling with funding. She spoke about new transit opportunities and funding.

Assembly member Friedman said that homelessness is a top challenge in the region and spoke on the following legislation:

-AB 1560 works on having connect days to get homeless the resources that they need

-AB 531 that focuses on homeless foster youth

-AB 44 expands on a recent piece of legislation that will ban the sale of fur products

-AB 60 focuses on that there is no standard for the efficiency of water meters (Low flows need to have accurate readings)

-AB 226 speaks to that there is no regulation on how you store your gun when you are not home

-AB285 says that transportation plans have to look at emission reductions

-AB383 shifts resources to wildfire prone areas so that hospitals and fire stations have more resources

-AB 587 would allow people to partner with a non-profit housing organization (like Habitat for Humanity) to allow additional spaces to be built (to rent)

-AB1080 stops the practice of single use plastic.

She encouraged stakeholders to visit her website if you would like more information.

6. First Vice-President's Report (Orrin Feldman)

- a) Walgreen's Co's drug store at 6801 West Hollywood Boulevard - has been selling drug store sundries for approximately 6 months, but does not sell RX drugs at this Hollywood & Highland shopping center location. Walgreens applied in 2018 for a conditional use permit (CUP) to sell a full line of alcoholic beverages for off-site consumption at its new

8,546 square foot store. The original application proposed store hours of operation and alcohol sales from 7 a.m. to 2 a.m. daily. Walgreen's has since cut back the proposed hours of alcohol sales to be from 9 a.m. to 12 midnight, daily, which match the store's current operating hours. The Planning Department's case no. is ZA 2018-4265-CUB. The CA CEQA no. is ENV-2018-4266-CE.

The PLUM Committee voted unanimously (5 to 0) to recommend the following motion.

Motion: HHWNC opposes any conditional use permit to sell beer, wine or any alcoholic beverages at this Walgreen's store location in the Hollywood & Highland Shopping Center.

This item was tabled and postponed.

- b) 1719 -1741 N. Whitley Avenue - is the site of six apartment buildings with 40 rent stabilized units, which the owner has applied to the City's Planning Department for permission to demolish the buildings and build a new 10-story hotel on the site. Five or six of the units may be vacant now. The owner's representative told the PLUM Committee that the owner would provide whatever might be required under the law to the current tenants if the City approves the proposed demolition of the six apartment buildings and new hotel for construction. The PLUM Committee heard from several tenants about how the owner/landlord did not provide proper maintenance at the existing apartment buildings in recent years.

In October, 2017, HHWNC voted to oppose the proposed demolition, recommended that the owner conduct a revised historical report (which may have been done), and prepare a draft environmental report, including alternatives to the proposed demolition, on the proposed project.

At the end of March, the owner filed a set of proposed findings with the Planning Department in order to support the owner's request for a categorical exemption from CA CEQA review of the proposed demolition of the existing buildings and the construction of the proposed hotel. The Planning Department use no. is DIR-2016-4290-SPR. The CA CEQA no. is ENV 2016-4921-CE.

The PLUM Committee voted unanimously (4 to 0) to recommend the following motion.

Motion: HWHNC reiterates its strong opposition to (i) the proposed demolition of the existing six (6) apartment buildings, (ii) the pending application seeking approval to build a new hotel on the site, and (iii) the owner's application claiming that his proposed hotel should be exempt under CA CEQA. Further, HHWNC recommends that the City, including the City's Housing Department, should inspect the six (6) apartment buildings and order such repairs and other maintenance as the City shall determine to be appropriate.

Orrin made the motion. Luminita 2nd. The motion passed 17-0.

7. Treasurer's Report (Michael Meyer)

- a) Motion and Vote to approve monthly expenditures report
- b) Approve Board Action Certification Forms for Funding requests

Jeff Masino made the motion to approve the monthly expenditures report, Mary Yarber 2nd. The motion was approved unanimously.

8. **Committee Reports**

a) **Parks & Open Spaces (Jeff Masino)**

- i. Jeff provided an update that CD4 had to cancel the Dixon study meeting scheduled for Monday, April 29th, where they were going to share the initial study findings. The new rescheduled date is Monday, May 20th at 6pm at the Durant Library. It will be a joint committee meeting with the transportation committee.

9. **Public Comments** – Comments from the public on agenda items and non-agenda items within the Board’s subject matter jurisdiction. Public comments are limited to 2 minutes per speaker.

- a) Gilbert Mora, Behavioral Health Services, Inc. provided an update that he is working on cannabis and alcohol issues. SB 52
- b) Lou Leo spoke about Runyon canyon equestrian trails

10. **Adjournment at 8:56pm.**

Join us at this special [free admission](#) screening of
They Shall Not Grow Old
on Saturday, May 11, 2019.

UCLA Film & Television Archive and Hollywood Post 43, The American Legion, are hosting a screening of Director Peter Jackson's masterpiece, [They Shall Not Grow Old \(2018\)](#). Join us at The Legion Theater, a newly renovated state-of-the-art theater in the historic Hollywood Post building, located at 2035 N. Highland Ave., Los Angeles, CA 90068; doors open at 6:30 p.m.

Commissioned by the Imperial War Museum in London to create a film commemorating the 100th anniversary of the 1918 armistice ending World War I, Jackson created a monumental work of art. Reutilizing original black and white war footage, Jackson spent four years transforming the images into true color, allowing viewers to experience the real world of the brutal war in the trenches. The result is not only visually astonishing, but also poignant and highly personal. It reflects Jackson's artistry and cinematic vision while giving the viewer an armchair view of events that changed the course of history.
