RE: COUNCIL FILE TRANSMITTAL

On August 20, 2019 the Energy, Climate Change, and Environmental Justice Committee considered two City Administrative Officer (CAO) reports dated November 8, 2018 and December 6, 2018, in response to Motion (Buscaino – Blumenfield – Martinez) relative to a pilot program to employ homeless individuals for the Loose Litter Cleanup Program, Council file 17-1121. After consideration, the Committee moved to approve instructions as follows:

1. INSTRUCT the Chief Legislative Analyst (CLA), CAO and Bureau of Sanitation (BOS) to prepare a report confirming the appropriate framework for the pilot program (Loose Litter Cleanup Pilot Program), along with any necessary instructions to the BOS as well as recommendations on a funding strategy to implement this program.
2. INSTRUCT the CLA, CAO and BOS to assess the need to issue a Request for Information (RFI), or Request for Proposal (RFP) or any other appropriate process to identify multiple service providers who have had success with similar programs and work, and who can provide innovative, cost effective approaches to determine who can deliver results at the lowest possible cost in order to provide more services to more people.

This file is now transmitted to the Public Works and Gang Reduction Committee.
