RE: COUNCIL FILE TRANSMITTAL

On November 1, 2017, the Public Works and Gang Reduction Committee considered a Motion (Buscaino - Blumenfield - Martinez) relative to establishing a framework for a pilot program that would employ homeless individuals to proactively clean litter from the public right-of-way on a regular, ongoing basis, Council file No. 17-1121. After consideration, the Committee moved to **approve as amended** the recommendations contained in the Motion as follows (the amendment is italicized):

INSTRUCT the City Administrative Officer, with the assistance of the Department of Public Works, Bureau of Sanitation, Office of Community Beautification, and other departments as needed, to report with recommendations to establish a framework for a pilot program that would employ homeless individuals to clean proactively litter from the public right-of-way on a regular, ongoing basis, *in coordination and conjunction with the City's Targeted Local Hire Program.*

This file is now transmitted to the Energy, Climate Change, and Environmental Justice Committee.
