

MOTION

I HEREBY MOVE that Council AMEND the matter relative to adding Section 71.29 to the Los Angeles Municipal Code authorizing the Los Angeles Department of Transportation (LADOT) to implement a Shared Mobility Device Pilot Program and issue permits to qualified pilot program operators to add the following recommendation:

INSTRUCT the LADOT to report back in 30 days, after implementation of the Shared Mobility Device Pilot Program, on the incentive program for disadvantaged communities, with data on the number of mobile devices that have been permitted because of the incentive, where they are located, and any recommendations on how to improve the incentive program to ensure the devices are distributed equitably throughout the City.
