Summary:

On October 25, 2017, your Committee considered a Resolution (Martinez - Ryu) relative to the establishment of parking restrictions for a segment along Laurel Canyon Boulevard between Sheldon Street and Wicks Street in Council District Six. According to the Resolution, there is an increasing problem with oversized vehicles that are parked overnight on a segment of Laurel Canyon Boulevard adjacent to commercial businesses and Fernanagles Recreation Center, which constrict travel lanes and create dangerous situations. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
