

MOTION

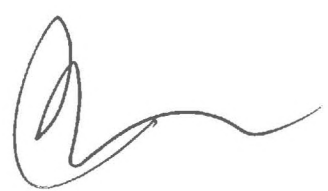

Section 8.231 of the Administrative Code sets forth the membership composition for the Innovation and Performance Commission (IPC). This section authorizes the Council President to appoint members to the IPC from nominations submitted by the Chairs of the Budget and Finance, the Personnel and Animal Welfare, and the Innovation, Grants, Technology, Commerce and Trade Committees.

Recently, the City Council approved a new structure for its policy committees. The new structure eliminated the Innovation, Grants, Technology, Commerce and Trade Committee (Committee) and reassigned oversight previously assigned to the Committee. These changes directly affect nominations to the IPC. Pursuant to the new committee structure, oversight of the IPC is now within the purview of the Public Works and Gang Reduction Committee.

I THEREFORE MOVE that the City Attorney be requested to prepare and present an Ordinance amending Section 8.231 of the Administrative Code to provide that the Council President is authorized to appoint members of the Innovation and Performance Commission from nominations submitted by the Chairs of the Budget and Finance, the Personnel and Animal Welfare, and the Public Works and Gang Reduction committees.
