SUMMARY

At the meeting held on October 25, 2017, your Arts, Entertainment, Parks and River Committee considered a RAP report relative to the 2017-18 JJCPA After-School Enrichment and Supervision Program grant award to help fund the CLASS Parks YEIP. The RAP reports that the Los Angeles County Probation Department administers and awards funding for the State's JJCPA grant funding. Since 2001, the RAP has received JJCPA funding annually to continue programs designed to serve at-risk youth through the CLASS Parks YEIP. This program provides participants with the opportunity to develop job and life skills training and gain new positive learning experiences. After an opportunity for public comment was held, the Committee moved to approve the recommendations presented in the RAP transmittal, as detailed above.

This matter is now forwarded to the Council for its consideration.
