Summary: The Hollywood Studio District Neighborhood Council does support a clear and publicized policy on sexual harassment. This policy should include how Neighborhood Councils, the Department of Neighborhood Empowerment and the City of Los Angeles will handle complaints regarding such incidents with compassion to the victim, fairness in law to the accused, and with all due haste. HSDNC is FOR the motion and amendment involved in Council File: 17-1286 as of 04DEC2017. We believe this policy shall include, but not remain exclusive to, incidents of harassment between:

1. Stakeholders at board meetings.
2. Stakeholders against NC board members, and vice versa.
3. NC board members against their peers.
4. NC Board members against city employees in an official capacity, and vice versa.
5. City employees and elected officials against their peers.
6. City employees and elected officials against members of the public or NC board members and vice versa.
7. Federal or state employees or officials against city employees and officials, NC board members, and members of the public.
