Summary: The Rampart Village Neighborhood Council supports the findings and recommendations of the FUSE Report, and strongly urges that action be taken in an expedited manner. The RVNC recognizes the need to coordinate infrastructure projects in order to reduce duplication among City departments, deliver better services in a more timely fashion, and improve relationships between residents and City government. We also request that the City include, and make available to the Public, a schedule for review and implementation of the various elements addressed within CF 17-1311. In addition, we request disclosure of any elements not being pursued and why.
