Summary:

On January 24, 2018, your Committee considered a Resolution (Ryu - O'Farrell) relative to the establishment of parking restrictions along the following street segments in Council District Four:

- a. Wilcox Avenue between Fountain Avenue and De Longpre Avenue
- b. Fountain Avenue between Wilcox Avenue and Cahuenga Boulevard
- c. Cole Avenue between Fountain Avenue and Cahuenga Boulevard
- d. De Longpre Avenue between Cahuenga Boulevard and Wilcox Avenue

According to the Resolution, there is an increased problem with oversized vehicles parking on portions of Wilcox Avenue, Fountain Avenue, Cole Avenue and De Longpre in the Hollywood community, in the immediate vicinity of the Hollywood Police Station and Fire Department Station 27, which are often parked overnight and constrict travel lanes, thereby creating undesirable roadway conditions. After consideration and having provided an opportunity for public comment,

the Committee moved to recommend approval of the Resolution as detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
