Hi Ana,

Below is RuPaul's current generic bio which should work for the permit purposes.

Please LMK if need to use it for anything else as we might want to revise it.

Thanks,

Joelle

RuPaul is an actor, singer, songwriter and the two-time Emmy Award winning host and executive producer of RuPaul's Drag Race. RuPaul studied theater before moving to New York City in the mid-eighties where he was crowned the Queen of Manhattan in 1989. RuPaul shot to international fame with the 1992 hit song "Supermodel (You Better Work)" followed by a seven-year contract as the first face of M.A.C Cosmetics. In addition to Drag Race, RuPaul has appeared in more than 50 films and television sitcoms, released 14 solo albums, published two books and in 2017 was named one of Time magazine's 100 Most Influential People. RuPaul currently hosts the weekly podcast "What's the Tee? With Michelle Visage" as well as the bi-annual drag convention: RuPaul's DragCon / rupaul.com
