SUMMARY

On April 18, 2018, Council considered Resolution (Bonin - Cedillo) relative to establishing oversize vehicle parking restrictions on a segment of Gateway Boulevard. According to the Resolution, increased problems have arisen with oversized vehicles parking on street segments in Mar Vista, immediately adjacent to residential buildings. These large vehicles are often parked overnight and constrict travel lanes, thereby creating undesirable roadway conditions. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held April 24, 2018, the Transportation Committee recommended that Council approve the parking restrictions and related LADOT instructions pursuant to Resolution.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
