SUMMARY

On August 1, 2018, Council considered Resolution (Martinez – O’Farrell) relative to establishing oversize vehicle parking restrictions along segments of Wyandotte Street and Tobias Avenue. Resolution states that there is an increased problem with oversized vehicles parking along these residential streets in Van Nuys. The parking of large vehicles results in fewer parking spaces for residents and visitors, as well as limited visibility for drivers on these narrow residential streets. Resolution recommends the establishment of oversized vehicle parking restrictions for this area. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held August 8, 2018, the Transportation Committee recommended that Council approve Resolution establishing oversize vehicle parking restrictions along segments of Wyandotte Street and Tobias Avenue.

Respectfully Submitted,
