Honorable Members:

This Office has prepared and now transmits for your consideration the enclosed draft ordinance, approved as to form and legality. The draft ordinance corrects numerical references in sections of the Los Angeles Municipal Code (LAMC) that require a permit and associated fee for battery systems, emergency responder radio coverage systems, and installation of gates and barriers across fire apparatus access roads.

Pursuant to Council Rule 38, a copy of the draft ordinance was sent to the LAFD with a request that all comments, if any, be presented directly to the City Council or its Committees when this matter is considered.

If you have any questions regarding this matter, please contact Assistant City Attorney Julie Raffish at (213) 978-8388. She or another member of this Office will be present when you consider this matter to answer questions you may have.
