RE: CF 18-0275
Public Convenience or Necessity Application Addendum
The Broadwater Plunge for the Sacred Fools Theater
Address and Name Clarification

Dear Ms. Dickinson,

This is an Addendum to the Public Convenience or Necessity Application CF 18-0275.

When we filed the Public Convenience or Necessity application for CF 18-0275, the address for the use was to be 1076 N. Lillian Way. However, the State of California Department of Alcoholic Beverage Control Board has affirmed that the specific address for the Public Convenience or Necessity should be amended to 6324 West Santa Monica Boulevard.

Note:

- The ABC license application number 589185 for the subject site reflects 6324 West Santa Monica Boulevard.
- The ZA-2017-1798 CUB approval for the subject site included 6324 West Santa Monica Boulevard in the range of addresses approved under the grant.

In addition, the name of the was incorrectly submitted as “The Backwater Plunge for the Sacred Fools Theater”. This should be corrected to “The Broadwater Plunge for the Sacred Fools Theater”.

Therefore, please amend the Public Convenience or Necessity application for CF 18-0275 to reflect the address "6324 West Santa Monica Boulevard" and the name of the application as "Broadwater Plunge for the Sacred Fools Theater" in the public record, in any mailing or posting of any public notices and on the agenda for the public hearing.

Thank you for your time and attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'MT', with a long horizontal flourish extending to the right.
