

MOTION

I MOVE that the Council extend by 15 days for good cause the time to act on a report from the Cultural Heritage Commission, as allowed by Section 22.171.10(f) of the Administrative Code, relative to the declination of designation for the Stokes' Angelus Vista Tract Residence, located at 1848 South Gramercy Place, Los Angeles, CA 90019 as a Historic-Cultural Monument, that is pending Council consideration, (Council File No. 18-0330) inasmuch as it has a deadline for Council to act of October 3, 2018, to enable all interested stakeholders more time to fully deliberate its merits.
