

TRANSPORTATION

MOTION

On April 5, 2011, the Council approved the addition of Section 87.55 to Chapter VIII of the Los Angeles Municipal Code that establishes regulations for the parking of vehicles displaying a "For Sale" sign or placard advertising the private sale of that vehicle. Section 87.55 allows the City Council to amend this Section, after conducting a public hearing, to include additional streets or public lands.

The critical shortage of on-street parking along a segment of Compton Avenue in the Watts community is exacerbated by individuals parking vehicles for the sole purpose of displaying them for private sale. The congregation of these vehicles is also creating vehicular and pedestrian traffic hazards and traffic congestion along these streets.

I THEREFORE MOVE that the Council request the City Attorney to prepare and present an ordinance that amends the Los Angeles Municipal Code Section 87.55, which establishes regulations for the parking of vehicles displaying a "For Sale" sign or placard advertising the private sale of vehicles on certain City streets or public lands, to prohibit the parking of such vehicles on both sides of Compton Avenue between East Century Boulevard and East 103rd Street.
