Summary: CIS Los Feliz Neighborhood Council FOR Council File 18-0462 Title: Housing Choice Voucher Program (aka Section 8) / Prohibit Discrimination Against Section 8 Voucher Holders / Prevent the Risk of Homelessness / Draft Ordinance Position: Support Summary: The Housing Choice Voucher Program is an important part of our national social safety net. It is a valuable tool for the City of Los Angeles to fight homelessness, poverty, and housing insecurity. Increased voucher usage would be beneficial to the City of LA and the neighborhood of Los Feliz by helping the least fortunate among us secure homes, and by increasing the amount of federal funding HACLA receives. Whereas it is currently legal in the City of Los Angeles to discriminate against voucher users in the rental market, we of the LFNC support action by the LA City Council, HACLA, and HCID to implement policy and law to rectify that. Housing is a human right.
