Room No. 395
City Hall

Honorable Members:

CONTRACT AMENDMENTS – GRAFFITI REMOVAL CONTRACTORS

As recommended in the accompanying report from the Director of the Office of Community Beautification (OCB), which this Board has adopted, the Board of Public Works recommends that the City Council:

1. AUTHORIZE the Office of Community Beautification to continue their present contracts or graffiti removal and community beautification services through December 31, 2018, with a six-month renewal option, as approved by the Board of Public Works.
2. AUTHORIZE the Office of Community Beautification and/or the City Attorney's Office to make minor technical corrections to the contract amendment as necessary, to ensure that all legal requirements are included in the final contract language.

FISCAL IMPACT

Funding for this project will be determined by the Board of Public Works at the start of the next Fiscal Year. This request is to allow the Board of Public Works to extend the current service time of the contracts with OCB contractors that provide graffiti removal and community beautification services.

Sincerely,

DR. FERNANDO CAMPOS,
Executive Officer, Board of Public Works
