Re: Council File 18-0845 / Single Stall Restrooms

Dear Honorable Councilmembers,

Assembly Bill 1732 was approved by the State in September 2016, and required that all single-user toilet facilities be identified as all-gender facilities as of March 1, 2017.

Pursuant to motion 19-0845 (O'Farrell/Rodriguez), I am happy to report that Los Angeles World Airports has fully complied with Assembly Bill No. 1732.

We completed installation of 94 all-gender restroom identification signs in places of public congregation in terminals and tenant facilities. Temporary signs were placed to meet the March 1, 2017 commencement date, with permanent signage completed by February 1, 2018.

If you have any questions about this matter, your staff may contact Mark Adams, LAWA Government Affairs Director at (424) 646-5114 or madams2@lawa.org.

Sincerely,

Deborah Flint
Chief Executive Officer
