

## ADOPTED BUDGET RECOMMENDATION

Instruct the Library Department to report to the Arts, Entertainment, Parks, and River Committee on the ability of the Department to provide educational outreach on climate change issues (for example, an educational kiosk) and whether this could be incorporated into the Department's budget without additional cost. The report should describe the steps the Department has taken to minimize its carbon footprint and how current efforts can be increased.

(Pursuant to adoption of the Mayor's 2018-19 Budget on May 21, 2018)
