Dear Mr. Yew:

The purpose of the correspondence is to request that a criminal closure be installed at the cul-de-sac at the end of Woodbine Street at the intersection of Manning Avenue. The Los Angeles Police Department, West Los Angeles Community Police Station, has received numerous complaints regarding burglary, theft, vandalism, destruction of property, and a decline in the quality of life due to an increase in the homeless population and activities related to homelessness.

Thank you for your attention in this matter. It is the goal of the Los Angeles Police Department to work in partnership with you and your staff to provide the highest level of quality service to every member of the community. With this closure, the Police Department expects a reduction in the fear and incidence of crime and an increase in the quality of life for the residents of Woodbine Street and Manning Avenue.

If you have any questions regarding this matter, please contact West Los Angeles Area Senior Lead Officer Christopher Baker, at (310) 622-3989

Respectfully,

MICHEL R. MOORE
