

MOTION

The Sunshine Canyon Community Amenities Trust Fund provides funds for financing community amenities within the City of Los Angeles, within five miles of the Sunshine Canyon landfill.

The Bureau of Engineering is coordinating the construction of a much needed street improvement project (Project) on an unimproved section of Zelzah Avenue that has seriously deteriorated over the years. First responders including fire and emergency medical equipment cannot use the existing road and must go around the area on side streets to access the area on upper Zelzah. Work has already begun and additional funding is necessary.

Sufficient funds are available in the Sunshine Canyon Community Amenities Trust Fund which could be used for this purpose.

I THEREFORE MOVE that the Council RESOLVE that \$7,500,000 in the Sunshine Canyon Communities Amenities Trust Fund No. 699-14 be designated and set aside in a new Account within that Fund entitled "Zelzah Ave Improvements" for the design and construction of the Zelzah Avenue Improvements, Ridgeway Road to Newcastle Avenue.

I FURTHER MOVE that the Council RESOLVE that \$1,000,000 in the "Zelzah Ave Improvements" Account in the Sunshine Canyon Communities Amenities Trust Fund No. 699-14 be transferred / appropriated to a new Account in the Engineering Special Services Fund No. 682-50, entitled "Zelzah Ave Improvements, Ridgeway Rd to Newcastle Ave" for the design and construction of the Project, with the understanding that additional amounts needed for this project shall be made available by future transfers from the above source either by adoption of periodic Financial Status Reports or through other appropriate Council action.

I FURTHER MOVE that the Council approve one Civil Engineer resolution authority position, Class Code 7237, from September 1, 2018 to June 30, 2019, in the Bureau of Engineering to provide the necessary oversight of the design and construction of the above Project, subject to position allocation by the Board of Civil Service Commissioners.

I FURTHER MOVE that the Bureau of Engineering be authorized to make any corrections or clarifications to the above fund transfer instructions in order to effectuate the intent of this motion.
