

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT relative to the feasibility of implementing a Minimum Recycled Content Ordinance and a Leash-Your-Lid Ordinance requiring 75 percent post-consumer recycled content and attached caps to beverage containers or bottles respectively.

Recommendations for Council action, pursuant to Motion (Koretz - Martinez):

1. INSTRUCT the Bureau of Sanitation (BOS) to report to the City Council in 90 days on the feasibility of implanting a Minimum Recycled Content ordinance which requires all beverage containers sold or distributed in the City of Los Angeles to contain at least 75 percent post-consumer recycled content.
2. INSTRUCT the BOS to report to the City Council in 90 days on the feasibility of implementing a Leash-Your-Lid Ordinance which requires all beverage containers sold or distributed in the City of Los Angeles to have caps that are either connected or continuously affixed to the bottle.
3. INSTRUCT the BOS to report on the current status of the City's recycling program and the quantity of beverage containers and caps being recycled.
4. INSTRUCT the BOS to report on the feasibility of the City's either actively incentivizing the local recycling of products or of the City's establishing its own recycled products manufacturing program.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

SUMMARY

At its regular meeting held on September 3, 2019, the Energy, Climate Change, and Environmental Justice Committee considered Motion (Koretz - Martinez) relative to instructing the BOS to report on the feasibility of implementing a Minimum Recycled Content Ordinance and a Leash-Your-Lid Ordinance requiring all beverage containers sold or distributed in the City to contain at least 75 percent post-consumer recycled content and have caps that are either connected or attached to the beverage container or bottle.

After providing an opportunity for public comment, the Committee moved to approve the recommendations contained in the Motion, as detailed above. This matter is now transmitted to the Council for its consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE
