

ADOPTED BY THE BOARD  
PUBLIC WORKS OF THE CITY  
of Los Angeles California  
AND REFERRED TO THE CITY COUNCIL  
JUN 29 2018

CD No. 5

MOTION

  
Executive Officer  
Board of Public Works

On July 8, 2008, the City of Los Angeles (City) executed a pre-qualified on-call architectural services contract C-114016 between the City and Kevin Daly Architects (KDA) [formerly Daly Genik Architects]. On August 27, 2013, the Los Angeles City Council approved Amendment No. 1 to this contract that extended the term from July 8, 2013 to July 8, 2018.

On March 10, 2014, the Board of Public Works (Board) approved the Bureau of Engineering's (BOE) recommendation to issue Task Order Number 260 to KDA to provide architectural design and construction administration services for the Robertson Recreation Center project (Project). The Project is currently under construction and is 33 percent complete. The Project is scheduled to be completed on March 30, 2020. The BOE requires KDA to be under contract for the duration of the Project and a Board Report is currently being expedited for the Board's consideration.

**\*\*President or two members of the Board of Public Works**

**I THEREFORE MOVE** that the Board authorize ~~the BOE~~ to execute Amendment No. 2 to C-114016 with KDA to extend the term from July 8, 2018 to July 7, 2021, subject to the approval of the City Council.

**I FURTHER MOVE**, that the BOE and BCA report back to the Board on Amendment No. 2 to Contract C-114016 between the City and KDA, including any updates to the contractual language and requirements.

( MK RMK DJW )
