

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

Date: August 23, 2018

To: Eric Villanueva, Legislative Assistant
Council and Public Services Division

From: *TJG* Todd Gaydowski, Records Management Officer
Records Management Division

**SUBJECT: COMMUNITY NAMING APPLICATION
WALNUT ACRES ESTATES
(COUNCIL FILE NO. 18-0694)**

I have reviewed the indexes to the City Council records and the City Archives records inventory database for reference to Walnut Acres Estates. While I find no references in the council records to the area specifically as "Walnut Acres Estates" there are reference dating back to the 1940s to the general area as Walnut Estates and later to Walnut Acres. There are also references to organizations identifying with the region of Walnut Estates or Walnut Acres.
