#### Impact Information

Date: 10/08/2018

Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 18-0719

Agenda Date:

Item Number:

Summary: The Eagle Rock Neighborhood Council (ERNC) is supportive of this motion instructing the Department of Parks and Recreation to report back on the status of Heating Ventilation and Air Conditioning (HVAC) systems at City parks and recreation centers. Further, the ERNC urges the Department of Parks and Recreation to report back in a timely fashion so that the City Council can appropriate and undertake repairs, upgrades, etc. of old and broken HVAC systems, or no system at all, before the next likely heat wave during or before Summer 2019. The City could be liable for potential illness and/or injuries caused by excessive heat and lack of proper HVAC systems at City parks and recreation centers since such centers also serve as evacuation and cooling stations.
